

Getting Covered is Easy!

All Metal Alliance customers are automatically eligible to participate in the Consolidated Limited Product Warranty Program by Roofing Warranty, LLC upon their first paid in full order.

To get started, go to metalalliance.com/warranty and complete the Activate Warranty form. Once your eligibility is verified, you'll receive a Consolidated Limited Product Warranty agreement from Roofing Warranty. Countersign the agreement in acceptance of the warranty terms and return it to Roofing Warranty to activate your coverage.

WARRANTY[†] COVERAGE QUICK REFERENCE

PERFORMANCE YOU CAN TRUST.

Your customers want lasting peace of mind that the metal panel roofing and wall systems you make will perform and look beautiful for many years to come. With the Consolidated Limited Product Warranty from Roofing Warranty, all your purchases from Metal Alliance will enjoy performance protection from the industry's leading metal and coating suppliers.

Metal Protection Coverage

Steel and aluminum products from Metal Alliance will not rupture, fail structurally, or perforate as a result of corrosion caused by exposure to normal atmospheric conditions.

Coating Protection Coverage

Protective metal coatings applied to steel and aluminum products from Metal Alliance are covered for the following:

- **FILM INTEGRITY:** Coating will stay adhered to its metal substrate with no visible chipping, cracking, flaking, peeling or checking.
- **CHALK RESISTANCE:** Coating surface will not chalk in excess of rating of 8 or 6 dependent on product selected.
- **FADE RESISTANCE:** Coating color will not fade in excess of five (5) Hunter ΔE units.
